Exhibitor testimonials

Vincent Tang
Vice President of Sales, Asia Pacific | Interblock Asia Pacific Pty. Ltd.

"G2E Asia @ the Philippines exceeded our expectations. The quality of attendees was excellent, with strong representation from both local and regional operators. We had meaningful conversations throughout the show and generated high value leads that will translate into long-term partnerships."

Eddie Au
Chief Operating Officer | LT Game Ltd

"Exhibiting at G2E Asia @ the Philippines gave us direct access to the Philippine gaming market. The show floor traffic was highly relevant to LT Game's business, and we met serious buyers with immediate or upcoming purchasing plans."

Giorgio Abbiati
CEO | Abbiati Casino Equipment Srl

"G2E Asia @ the Philippines offered outstanding networking opportunities. From networking events to spontaneous conversations on the show floor, we connected with key decision makers across the industry and strengthened relationships with both existing and new clients."

G2E ASIA @ THE PHILIPPINES CONFERENCE 2025

DAY 1 PHILIPPINES GAMING MARKET OVERVIEW

Keynote Address by Chairman and CEO of PAGCOR

The event opened with a keynote address by Alejandro H. Tengco, Chairman and CEO of PAGCOR, who provided strategic insights into the Philippine gaming market and its regulatory landscape.

Fireside Chat with Greg Hawkins

This fireside chat features insights from Greg Hawkins on integrated resort operations and business growth in the Philippine market, highlighting leadership perspectives from Bloomberry Resorts Corporation and Solaire Resort.

Philippine Gaming at a Crossroads: Regulation, Online Growth, and Integrated Resorts

This panel examines the transformation of the Philippine gaming market, highlighting regulatory change, the expansion of land-based and online gaming, PAGCOR's decoupling and casino privatization, the shift from POGOs to PIGOs, and the evolving outlook for integrated resorts amid regional competition.

The Rise of Non-Gaming: Expanding the Integrated Resort Experience

This session focuses on the growing role of non-gaming offerings in integrated resorts, exploring trends in entertainment, dining, retail, wellness, and cultural attractions, and how these elements are reshaping revenue models and guest experiences in the Philippine and global markets.
